BUSINESS FINLAND'S EU TEAM

We support Finnish organizations and companies to take advantage of EU funding by providing centralized information on financial products and opportunities as well as project-specific advice together with our network.

In addition, our services include:

- We act as the first point of contact and offer advice regarding all EU R&D funding and EU investment finance programs
 - We maintain a website where the different financing programs are in a comparative format: <https://www.eurahoitusneuvonta.fi/>
 - We act as the national liaison office of the Horizon Europe program and maintain the website of the Horizon Europe program
 - NCPs (National Contact Points) are the main structure to provide guidance, practical information and assistance on all aspects of participation in Horizon Europe thematic work programs. Advisors are placed in Business Finland and the Academy of Finland
 - We organize events related to EU funding
